

Board of Directors
Vina Groundwater Sustainability Agency
Oroville, California

We have audited the financial statements of the governmental activities and the major fund of Vina Groundwater Sustainability Agency as of and for the years ended June 30, 2023 and 2022, and have issued our report thereon dated June 26, 2024. We have previously communicated to you information about our responsibilities under auditing standards generally accepted in the United States of America and *Government Auditing Standards*, as well as certain information related to the planned scope and timing of our audit in our statement of work dated October 27, 2023. Professional standards also require that we communicate to you the following information related to our audit.

Significant audit findings

Qualitative aspects of accounting practices

Accounting policies

Management is responsible for the selection and use of appropriate accounting policies. The significant accounting policies used by Vina Groundwater Sustainability Agency are described in Note 1 to the financial statements.

No new accounting policies were adopted and the application of existing policies was not changed during 2023 and 2022.

We noted no transactions entered into by the entity during the year for which there is a lack of authoritative guidance or consensus. All significant transactions have been recognized in the financial statements in the proper period.

Accounting estimates

Accounting estimates are an integral part of the financial statements prepared by management and are based on management's knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ significantly from those expected. There were no accounting estimates affecting the financial statements which were particularly sensitive or required substantial judgments by management.

Financial statement disclosures

Certain financial statement disclosures are particularly sensitive because of their significance to financial statement users. There were no particularly sensitive financial statement disclosures.

The financial statement disclosures are neutral, consistent, and clear.

Difficulties encountered in performing the audit

We encountered no significant difficulties in dealing with management in performing and completing our audit.

Uncorrected misstatements

Professional standards require us to accumulate all misstatements identified during the audit, other than those that are clearly trivial, and communicate them to the appropriate level of management. Management has corrected all such misstatements.

Corrected misstatements

The following material misstatement detected as a result of audit procedures was corrected by management:

- Adjustment of \$22,288 to increase accounts payable and related expenditures for professional services incurred during fiscal year 2021-22 and not recorded by the Agency until fiscal year 2022-23.
- Adjustment of \$1,020 to increase accounts payable and related expenditures for professional services incurred for fiscal year 2022-23 and not recorded until fiscal year 2023-24.

Disagreements with management

For purposes of this letter, a disagreement with management is a financial accounting, reporting, or auditing matter, whether or not resolved to our satisfaction, that could be significant to the financial statements or the auditors' report. No such disagreements arose during our audit.

Management representations

We have requested certain representations from management that are included in the management representation letter dated June 26, 2024.

Management consultations with other independent accountants

In some cases, management may decide to consult with other accountants about auditing and accounting matters, similar to obtaining a "second opinion" on certain situations. If a consultation involves application of an accounting principle to the entity's financial statements or a determination of the type of auditors' opinion that may be expressed on those statements, our professional standards require the consulting accountant to check with us to determine that the consultant has all the relevant facts. To our knowledge, there were no such consultations with other accountants.

Significant issues discussed with management prior to engagement

We generally discuss a variety of matters, including the application of accounting principles and auditing standards, with management each year prior to engagement as the entity's auditors. However, these discussions occurred in the normal course of our professional relationship and our responses were not a condition to our engagement.

Other audit findings or issues

We have provided a separate letter to you dated June 26, 2024, communicating internal control related matters identified during the audit.

Required Supplementary Information

With respect to the required supplementary information (RSI) accompanying the financial statements, we made certain inquiries of management about the methods of preparing the RSI, including whether the RSI has been measured and presented in accordance with prescribed guidelines, whether the methods of measurement and preparation have been changed from the prior period and the reasons for any such changes, and whether there were any significant assumptions or interpretations underlying the measurement or presentation of the RSI. We compared the RSI for consistency with management's responses to the foregoing inquiries, the basic financial statements, and other knowledge obtained during the audit of the basic financial statements. Because these limited procedures do not provide sufficient evidence, we did not express an opinion or provide any assurance on the RSI.

Other information included in annual reports

Other information (financial or nonfinancial information other than the financial statements and our auditors' report thereon) is being included in your annual report and is comprised of the list of directors. Our responsibility for other information included in your annual report does not extend beyond the financial information identified in our opinion on the financial statements. We have no responsibility for determining whether such other information is properly stated and do not have an obligation to perform any procedures to corroborate other information contained in your annual report. We are required by professional standards to read the other information included in your annual report and consider whether a material inconsistency exists between the other information and the financial statements because the credibility of the financial statements and our auditors' report thereon may be undermined by material inconsistencies between the audited financial statements and other information. If, based on the work performed, we conclude that an uncorrected material misstatement of the other information exists, we are required to describe it in our report. Our auditors' report on the financial statements includes a separate section, "Other Information," which states we do not express an opinion or any form of assurance on the other information included in the annual report. We did not identify any material inconsistencies between the other information and the audited financial statements.

* * *

This communication is intended solely for the information and use of the Board of Directors and management of Vina Groundwater Sustainability Agency and is not intended to be, and should not be, used by anyone other than these specified parties.

This representation letter is provided in connection with your audits of the financial statements of Vina Groundwater Sustainability Agency, which comprise the respective financial position of the governmental activities and the major fund, as of June 30, 2022 and 2023, and the respective changes in financial position for the years then ended, and the related notes to the financial statements, for the purpose of expressing opinions on whether the financial statements are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

Certain representations in this letter are described as being limited to matters that are material. Items are considered material, regardless of size, if they involve an omission or misstatement of accounting information that, in light of surrounding circumstances, makes it probable that the judgment of a reasonable person relying on the information would be changed or influenced by the omission or misstatement.

We confirm, to the best of our knowledge and belief, as of June 26, 2024, the following representations made to you during your audits of the financial statements as of and for the years ended June 30, 2023 and 2022:

Financial Statements

1. We have fulfilled our responsibilities, as set out in the terms of the audit engagement letter dated October 17, 2023, for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP. The financial statements include all properly classified funds and other financial information of the primary government and all component units required by generally accepted accounting principles to be included in the financial reporting entity.
2. We acknowledge and have fulfilled our responsibility for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.
3. We acknowledge our responsibility for the design, implementation, and maintenance of internal control to prevent and detect fraud.
4. Significant assumptions used by us in making accounting estimates, including those measured at fair value, are reasonable.
5. Related party relationships and transactions, including, but not limited to, revenues, expenditures/expenses, loans, transfers, leasing arrangements, and guarantees, and amounts

receivable from or payable to related parties have been appropriately accounted for and disclosed in accordance with the requirements of U.S. GAAP.

6. No events, including instances of noncompliance, have occurred subsequent to the financial statement date and through the date of this letter that would require adjustment to, or disclosure in, the financial statements.
7. We have not identified or been notified of any uncorrected financial statement misstatements.
8. The effects of all known actual or possible litigation, claims, and assessments have been accounted for and disclosed in accordance with U.S. GAAP.
9. We have no plans or intentions that may materially affect the carrying value or classification of assets, liabilities, or equity.

Information Provided

1. We have provided you with:
 - a. Access to all information, of which we are aware, that is relevant to the preparation and fair presentation of the financial statements such as records, documentation, and other matters.
 - b. Additional information that you have requested from us for the purpose of the audit.
 - c. Unrestricted access to persons within the entity from whom you determined it necessary to obtain audit evidence.
 - d. Complete minutes of the meetings of the governing board and related committees, or summaries of actions of recent meetings for which minutes have not yet been prepared.
 - e. All communications from regulatory agencies and other funding sources concerning noncompliance with, or deficiencies in, financial reporting practices.
 - f. All communications from regulatory agencies and other funding sources concerning noncompliance with the provisions of laws, regulations, contracts, and grant agreements.
2. All material transactions have been recorded in the accounting records and are reflected in the financial statements.
3. We have disclosed to you the results of our assessment of the risk that the financial statements may be materially misstated as a result of fraud.
4. We have no knowledge of any fraud or suspected fraud that affects the entity and involves:
 - a. Management;
 - b. Employees who have significant roles in internal control; or
 - c. Others when the fraud could have a material effect on the financial statements.

5. We have no knowledge of any allegations of fraud, or suspected fraud, affecting the entity's financial statements communicated by employees, former employees, regulators, or others.
6. We have no knowledge of any instances of noncompliance or suspected noncompliance with laws and regulations and provisions of contracts and grant agreements, or waste or abuse whose effects should be considered when preparing financial statements.
7. Outside of the existing litigation, we are not aware of any pending or threatened litigation, claims, or assessments, or unasserted claims or assessments, that are required to be accrued or disclosed in the financial statements in accordance with U.S. GAAP, and we have not consulted a lawyer concerning litigation, claims, or assessments.
8. There are no other material liabilities or gain or loss contingencies that are required to be accrued or disclosed in accordance with U.S. GAAP.
9. We have disclosed to you the identity of the entity's related parties and all the related party relationships and transactions of which we are aware.
10. The entity has satisfactory title to all owned assets, and there are no liens or encumbrances on such assets, nor has any asset been pledged as collateral, except as made known to you and disclosed in the financial statements.
11. We have a process to track the status of audit findings and recommendations.
12. We have identified to you any previous audits, attestation engagements, and other studies related to the audit objectives and whether related recommendations have been implemented.
13. We have provided our views on reported findings, conclusions, and recommendations, as well as our planned corrective actions, for the report.
14. We are responsible for compliance with the laws, regulations, and provisions of contracts and grant agreements applicable to Vina Groundwater Sustainability Agency, including tax or debt limits and debt contracts; and we have identified and disclosed to you all laws, regulations, and provisions of contracts and grant agreements that we believe have a direct and material effect on the determination of financial statement amounts or other financial data significant to the audit objectives, including legal and contractual provisions for reporting specific activities in separate funds.
15. There are no violations or possible violations of budget ordinances, laws and regulations (including those pertaining to adopting, approving, and amending budgets), provisions of contracts and grant agreements, tax or debt limits, and any related debt covenants whose effects should be considered for disclosure in the financial statements, or as a basis for recording a loss contingency, or for reporting on noncompliance.
16. The entity has complied with all aspects of contractual agreements that would have a material effect on the financial statements in the event of noncompliance.
17. We have complied with all restrictions on resources (including donor restrictions) and all aspects of contractual and grant agreements that would have a material effect on the financial statements in

the event of noncompliance. This includes complying with donor requirements to maintain a specific asset composition necessary to satisfy their restrictions.

18. We have followed all applicable laws and regulations in adopting, approving, and amending budgets.
19. The financial statements include all component units as well as joint ventures with an equity interest, and properly disclose all other joint ventures, jointly governed organizations, and other related organizations.
20. The financial statements properly classify all funds and activities.
21. All funds that meet the quantitative criteria in GASB Statement Nos. 34 and 37 for presentation as major are identified and presented as such and all other funds that are presented as major are particularly important to financial statement users.
22. Components of net position (net investment in capital assets; restricted; and unrestricted) and equity amounts are properly classified and, if applicable, approved.
23. Investments, derivative instruments, and land and other real estate held by endowments are properly valued.
24. Provisions for uncollectible receivables have been properly identified and recorded.
25. Expenses have been appropriately classified in or allocated to functions and programs in the statement of activities, and allocations have been made on a reasonable basis.
26. Revenues are appropriately classified in the statement of activities within program revenues, general revenues, contributions to term or permanent endowments, or contributions to permanent fund principal.
27. Interfund, internal, and intra-entity activity and balances have been appropriately classified and reported.
28. Deposits and investment securities and derivative instruments are properly classified as to risk and are properly valued and disclosed.
29. Capital assets, including infrastructure and intangible assets, are properly capitalized, reported, and, if applicable, depreciated.
30. We have appropriately disclosed the entity's policy regarding whether to first apply restricted or unrestricted resources when an expense is incurred for purposes for which both restricted and unrestricted net position is available and have determined that net position is properly recognized under the policy.
31. We acknowledge our responsibility for the preparation of the other information included in our annual report, which is comprised of the list of directors (other information). The other information is consistent with the financial statements and does not contain any material misstatements.

- 32. We acknowledge our responsibility for the required supplementary information (RSI). The RSI is measured and presented within prescribed guidelines and the methods of measurement and presentation have not changed from those used in the prior period. We have disclosed to you any significant assumptions and interpretations underlying the measurement and presentation of the RSI.
- 33. We understand that you prepared the trial balance for use during the audit and that your preparation of the trial balance was limited to formatting information into a working trial balance based on management's chart of accounts.
- 34. As part of your audit, you prepared the draft financial statements and related notes. We have designated an individual who possesses suitable skill, knowledge, and/or experience to understand and oversee your services; have made all management judgments and decisions; and have assumed all management responsibilities. We have evaluated the adequacy and results of the service. We have reviewed, approved, and accepted responsibility for those financial statements and related notes. We have also ensured that the entity's data and records are complete and received sufficient information to oversee the service.

INDEPENDENT AUDITORS' REPORT

Board of Directors
Vina Groundwater Sustainability Agency
Oroville, California

Report on the Audit of the Financial Statements

Opinions

We have audited the accompanying financial statements of the governmental activities and the major fund of the Vina Groundwater Sustainability Agency, as of and for the years ended June 30, 2023 and 2022, and the related notes to the financial statements, which collectively comprise the Vina Groundwater Sustainability Agency's basic financial statements as listed in the table of contents.

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities and the major fund of the Vina Groundwater Sustainability Agency, as of June 30, 2023 and 2022, and the respective changes in financial position for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinions

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS) and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Vina Groundwater Sustainability Agency, and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Vina Groundwater Sustainability Agency's ability to continue as a going concern for twelve months beyond the financial statement date, including any currently known information that may raise substantial doubt shortly thereafter.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinions. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Vina Groundwater Sustainability Agency's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Vina Groundwater Sustainability Agency's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the budgetary comparison information be presented to supplement the basic financial statements. Such information is the responsibility of management and, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with GAAS, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Management has omitted the management's discussion and analysis that accounting principles generally accepted in the United States of America require to be presented to supplement the basic financial statements. Such missing information, although not part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. Our opinion on the basic financial statements is not affected by this missing information.

Other Information

Management is responsible for the other information included in the annual report. The other information comprises the list of directors but does not include the basic financial statements and our auditors' report thereon. Our opinions on the basic financial statements do not cover the other information, and we do not express an opinion or any form of assurance thereon.

In connection with our audit of the basic financial statements, our responsibility is to read the other information and consider whether a material inconsistency exists between the other information and the basic financial statements, or the other information otherwise appears to be materially misstated. If, based on the work performed, we conclude that an uncorrected material misstatement of the other information exists, we are required to describe it in our report.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated June 26, 2024 on our consideration of the Vina Groundwater Sustainability Agency's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Vina Groundwater Sustainability Agency's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Vina Groundwater Sustainability Agency's internal control over financial reporting and compliance.

SUSTAINABILITY AGENCY
NOTES TO BASIC FINANCIAL STATEMENTS
JUNE 30, 2023 AND 2022**

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. Reporting Entity

The Vina Groundwater Sustainability Agency was created in 2017 in response to the Sustainable Groundwater Management Act. Its responsibilities include sustainably managing groundwater resources in a portion of the Vina Subbasin, a portion of the larger Sacramento Valley Groundwater Basin covering approximately 184,917 acres. The subbasin is located entirely within Butte County and is generally bounded by Tehama County to the north, the alluvial basin to the east (as defined by Bulletin 118), the border of the Western Canal Water District to the south, and the Sacramento River to the west.

The Sustainable Groundwater Management Act (SGMA), passed in the fall of 2014, establishes a new structure for managing groundwater resources in California. Groundwater basins and subbasins are defined in the Department of Water Resources (DWR) Bulletin 118 document. SGMA requires Groundwater Sustainability Agencies (GSAs) to manage groundwater at the local level through the development and implementation of Groundwater Sustainability Plans (GSPs). The GSPs must ensure sustainable conditions by 2042 while avoiding six distinct undesirable results. The decisions about sustainability will be made locally through public involvement.

A Joint Exercise of Powers Agreement establishes the Vina Groundwater Sustainability Agency for the purpose of forming a Groundwater Sustainability Agency and achieving groundwater sustainability in a portion of the Vina Groundwater Subbasin.

Vina Groundwater Sustainability Agency Member Agencies include:

- City of Chico
- County of Butte
- Durham Irrigation District

The basic financial statements present information on the financial activities of the Agency. The financial statements have been prepared in conformity with accounting principles generally accepted in the United States of America. The Governmental Accounting Standards Board (GASB) is the accepted standard-setting body for establishing governmental accounting and financial reporting principles. The more significant of the accounting policies are described below.

**VINA GROUNDWATER
SUSTAINABILITY AGENCY
NOTES TO BASIC FINANCIAL STATEMENTS
JUNE 30, 2023 AND 2022**

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

B. Basis of Presentation and Accounting

Government-Wide Statements

The statement of net position and statement of activities display information about the primary government (the Agency). These statements include the financial activities of the overall Agency.

The statement of activities demonstrates the degree to which program expenses of a given function are offset by program revenues. Program expenses include direct expenses, which are clearly identifiable with a specific function, and allocated indirect expenses. Program revenues include Agency contributions that are restricted to meeting the operational or capital requirements of a particular program. Revenues that are not classified as program revenues are presented instead as general revenues.

The government-wide financial statements are reported using the economic resources measurement focus and the accrual basis of accounting. Revenues are recorded when earned and expenses are recorded when incurred, regardless of the timing of related cash flows. Nonexchange transactions, in which the Agency gives (or receives) value without directly receiving (or giving) equal value in exchange, include intergovernmental revenues. Revenues from grants, entitlements, and donations are recognized in the fiscal year in which all eligibility requirements have been satisfied.

Fund Financial Statements

The Agency is engaged in a single-governmental activity and has only a general fund. The governmental fund financial statements are reported using the current financial resources measurement focus and the modified accrual basis of accounting. Under this method, revenues are recognized when measurable and available (susceptible to accrual). Revenues are accrued when their receipt occurs within 60 days after the end of the accounting period so as to be measurable and available. Expenditures are generally recorded when a liability is incurred.

C. Fund Balances — Governmental Fund Financial Statements

The following classifications describe the relative strength of the spending constraints placed on the purposes for which resources can be used:

- Nonspendable fund balance — amounts that cannot be spent because they are either not spendable in form or legally or contractually required to remain intact.
- Restricted fund balance — amounts with constraints placed on their use by those external to the Agency, including creditors, grantors, contributors or laws and regulations of other governments. It also includes constraints imposed by law through constitutional provisions or enabling legislation.

**VINA GROUNDWATER
SUSTAINABILITY AGENCY
NOTES TO BASIC FINANCIAL STATEMENTS
JUNE 30, 2023 AND 2022**

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

C. Fund Balances — Governmental Fund Financial Statements (Continued)

- Committed fund balance — amounts that can only be used for specific purposes determined by formal action of the Agency’s highest level of decision-making authority and that remain binding unless removed in the same manner. The underlying action that imposed the limitation needs to occur no later than the close of the reporting period.
- Assigned fund balance — amounts that are constrained by the Agency’s intent to be used for specific purposes. The intent can be established at either the highest level of decision making or by a body or an official delegated that authority.
- Unassigned fund balance — the residual classification that includes amounts not contained in the other classifications.

The Agency’s governing board establishes, modifies, or rescinds fund balance commitments and assignments by approval of the board. When restricted and unrestricted resources are available for use, it is the Agency’s policy to use restricted resources first, followed by unrestricted committed, assigned, and unassigned resources as they are needed.

D. Use of Estimates

The preparation of basic financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

NOTE 2 CASH AND INVESTMENTS

Cash and investments at June 30, 2023 and 2022 consisted of the following:

	2023	2022
Cash in County Treasury	\$ 20,119	\$ 2,176

The Agency maintains all of its cash and investments in the County of Butte’s pooled cash and investments. On a quarterly basis, the County of Butte allocates interest to participants based upon their average daily balances. Required disclosure information regarding categorization of investments and other deposit and investment risk disclosures can be found in the County of Butte’s financial statements. The County of Butte’s financial statements may be obtained by contacting the County of Butte’s Auditor-Controller’s Office at 25 County Center Drive, Suite 120, Oroville, CA 95965.

NOTES TO BASIC FINANCIAL STATEMENTS
JUNE 30, 2023 AND 2022**

NOTE 2 CASH AND INVESTMENTS (CONTINUED)

GASB Statement No. 40 requires additional disclosures about a government's deposits and investment risks that include credit risk, custodial risk, concentration risk, and interest rate risk. The Agency has no deposit or investment policy that addresses a specific type of risk.

Investments held in the County's investment pool are available on demand and are stated at cost plus accrued interest, which approximates fair value.

NOTE 3 RISK MANAGEMENT

The Agency is exposed to various risks of loss related to torts; theft of, damage to, and destruction of assets, errors and omissions and natural disasters. The Agency purchases commercial liability insurance. There were no settlements in excess of the insurance coverage in any of the three prior fiscal years.

NOTE 4 CONTINGENCIES

The Agency is a defendant in various lawsuits. Although the outcome of these lawsuits is not presently determinable, in the opinion of the Agency's legal counsel, the resolution of these matters will not have a material adverse effect on the financial condition of the agency.

NOTE 5 SUBSEQUENT EVENT

On July 27, 2023, The Agency approved a resolution to allow for the placement of special assessments on the Butte County secured property tax roll for fiscal year 2023/24 to achieve compliance with the Sustainability Groundwater Management Act of 2014. The Agency established an operating budget projecting \$256 thousand of revenue from special assessments and \$7 thousand of revenue from fee agreements for fiscal year 2023/24.

GROUNDWATER SUSTAINABILITY AGENCY
NOTES TO THE REQUIRED SUPPLEMENTARY INFORMATION
YEARS ENDED JUNE 30, 2023 AND 2022**

NOTE 1 BUDGET AND BUDGETARY REPORTING

The Agency prepares and legally adopts a final budget on or before June 30 of each fiscal year. The Agency operation, commencing July 1, is governed by the proposed budget, adopted by the Board of Directors in June of the prior year.

After the budget is approved, the appropriations can be added to, subtracted from, or changed only by approval of the board. All such changes must be within the revenues and reserves estimated as available in the final budget or within revised revenue estimates as approved by the Agency.

An operating budget is adopted each fiscal year on the modified accrual basis. Additionally, encumbrance accounting is utilized to assure effective budgetary control. Encumbrances outstanding at year-end represent the estimated amount of the expenditures ultimately to result if the unperformed contracts in process at year-end are completed or purchased commitments satisfied. Such year-end encumbrances are reported as reservations of fund balances and do not constitute expenditures or liabilities because the commitments will be honored during the subsequent year and included in the subsequent year's budget. Unencumbered appropriations lapse at year-end.

The legal level of budgetary control (the level on which expenditures may not legally exceed appropriations) is at the object level. Object category levels of expenditures are as follows: salaries and benefits, services and supplies, and other charges.

Excess of Expenditures Over Appropriations

For the year ended June 30, 2022, expenditures for professional and specialized services exceeded appropriations by \$24,148, primarily due to professional fees.

OTHER REPORT

**INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL
OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER
MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS
PERFORMED IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS***

Board of Directors
Vina Groundwater Sustainability Agency
Oroville, California

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the governmental activities and the major fund of Vina Groundwater Sustainability Agency (Agency) of the County of Butte (County) for the years ended June 30, 2023 and 2022, and the related notes to the financial statements, and have issued our report thereon dated June 26, 2024.

Report on Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Agency's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Agency's internal control. Accordingly, we do not express an opinion on the effectiveness of Agency's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies and therefore, material weaknesses or significant deficiencies may exist that were not identified.

We identified a certain deficiency in internal control, described in the accompanying schedule of findings as item 2023-001 that we consider to be a material weakness.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Agency's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Vina Groundwater Sustainability Agency's Response to Findings

Government Auditing Standards requires the auditor to perform limited procedures on the Vina Groundwater Sustainability Agency's response to the findings identified in our audit and described in the accompanying schedule of findings. Vina Groundwater Sustainability Agency's response was not subjected to the other auditing procedures applied in the audit of the financial statements and, accordingly, we express no opinion on the response.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Agency's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

CliftonLarsonAllen LLP

Roseville, California
June 26, 2024

**VINA GROUNDWATER AGENCY
GROUNDWATER SUSTAINABILITY AGENCY
SCHEDULE OF FINDINGS
YEAR ENDED JUNE 30, 2023 AND 2022**

2023-001 Expense Cutoff

Type of Finding: Material Weakness in Internal Control over Financial Reporting.

Condition: The Agency did not properly accrue for payments made for professional services which were performed prior to June 30, 2023 and 2022.

Criteria or specific requirement: Under generally accepted accounting principles, expenditures for goods and services should be recorded to the correct period regardless of when the payment is made.

Effect: An audit adjustment of \$1,020 increasing accounts payable and professional services expenses was made for fiscal year ended June 30, 2023.

An audit adjustment of \$22,288 increasing accounts payable and professional services expenses was made for fiscal year ended June 30, 2022.

Cause: The Agency did not consider payments to vendors subsequent to year-end when reviewing cut-off for the year-end close. For fiscal year 2023, the Agency split an invoice into two payments over two fiscal years without accruing for the payment on June 30 made in the subsequent fiscal year.

Repeat Finding: This is a repeat finding.

Recommendation: We recommend the Agency implement additional closing procedures to identify expenditures recorded in the wrong accounting period, such as reviewing payments made after the year-end cut-off for proper reporting.

Views of responsible officials and planned corrective actions: The Agency agrees with the finding and the proposed adjusting journal entries. In future years, the Agency will implement new accounting procedures to identify expenditures recorded in the wrong accounting period.

CLIFF LARSON ALLEN WEALTH ADVISORS
ORGANIZATIONAL CHARTER OF CLIFF LARSON ALLEN WEALTH ADVISORS
CORPORATION

Article I

Section 1.01 Name. The name of the corporation shall be CliftonLarsonAllen Wealth Advisors Corporation.

Section 1.02 Purpose. The purpose of the corporation shall be to provide investment advisory services to its clients.

Section 1.03 Business Office. The principal office of the corporation shall be located at 1000 North Dearborn Street, Chicago, Illinois 60610.

Section 1.04 Fiscal Year. The fiscal year of the corporation shall be the calendar year ending on December 31st.

Section 1.05 Initial Board of Directors. The initial board of directors of the corporation shall consist of the following persons:

Section 1.06 Officers. The officers of the corporation shall be the President, Vice President, Secretary and Treasurer.
